THE RIGHT PLACE TO BE

Buckingham Road is a bespoke set of Victorian-feel, new build houses set in the heart of South Woodford Village.

A perfectly placed pair of 3 bedroom homes, built to a high specification and in keeping with the historic nature of the surrounding residences. A family home on a tree-lined street and, most importantly, the best of local amenities. Travel, culinary delights, greenery and bars to wind down - Buckingham Road is a perfect surrounding for families, young professionals and those looking for a central, yet homely place to live.

LOCAL AMENITIES

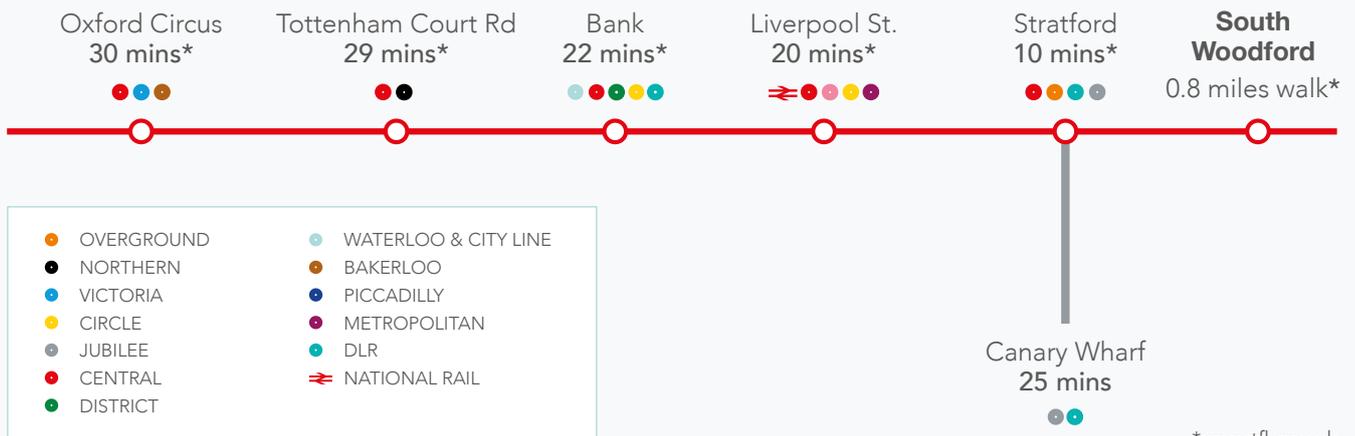

Once of the most prestigious parts of South Woodford is the high street, George Lane. Just a short walk from Buckingham Road and you are surrounded by an abundance of boutique shops, supermarkets, restaurants and bars. Interior design specialists sit alongside fashion boutiques and jewellery stores. Even better, once your local options have been exhausted, jump on a train from South Woodford, where you can reach Liverpool Street in a mere 19 minutes.

AT YOUR LEISURE

Living in South Woodford, everything is within easy reach. A local cinema, excellent library complete with its own gym, together with welcoming pubs and bars. Stratford, offering Westfield Shopping Centre with its world-class shops and all the legacy sports and leisure facilities from the 2012 Olympic Games, is only a short distance away.

In the other direction, the natural beauty and tranquillity of Epping Forest and the countryside of Essex is on your doorstep. Its charming village-like feel and rambling walks, all close to hand. Is it town, or is it countryside? South Woodford is in an ideal location, where you enjoy the best of both worlds and this East London location feels far more rural than the E18 postcode might suggest.
